Wyprawa Smoka Dragonka do Krainy Słowa

Mądry **Smok** zwany Dragonkiem żył w Krainie, gdzie było wszystko czego zapragnął.
W niezwykłym Królestwie, w którym mieszkały od wielu pokoleń mądre i dobre Smoki, rosły na krzewach pączki nadziewane słodkimi powidłami, na drzewach kwitły ciasteczka i cukierki, a z potoku nieopodal kakao można pić do woli, ale tylko z rana, bo w południe sok pomarańczowy płynie obficie.

Po południu zaś, pyszna lemoniada nęci zapachem i smakiem, mniam, mniam, mniam.

A na łące między kwiatami, rurki z kremem, trzy razy w miesiącu kwitną i wschodzą do słońca, radośnie.
Ulubione Smoka Dragonka łakocie.

Dragon miał wszystkiego pod dostatkiem, lecz nie mógł się z nikim tym wszystkim podzielić, gdyż innych smoków w okolicy nie było. Wyruszyły w poszukiwaniu tajemniczej Krainy zwanej **Królestwem Słowa**.

Dragon postanowił podążyć ich śladem, w poszukiwaniu braci Dragonków.
Wybrał się więc w podróż, pięknym, niezwykłym bardzo statkiem po morzu wonnym i słodkim od wanilii, która opada powoli w kroplach deszczu z obłoków, są też koktajle z leśnych borówek i malin z odrobiną cytryny i dojrzałych agrestów.

Po kilku dniach dotarł Smok Dragonek do **Krainy Słowa** i ze zdziwieniem, z radością napotkał tam Smoki, radosne jak wiosenne kwiaty.

Były tam **Smoki Literki**, o dźwięcznych imionach, które układały się w słowa. No i, od słowa do słowa, polubili się bardzo wszyscy, zaprosili też Smoka Dragonka do wspólnej zabawy.

Nieopodal Smok Dragon napotkał **Smoczki Cyferki**. Bawili się więc w galaretki mnożenia, ciasteczka równania i dźwięki.

Nieopodal mieszkały **Smoki Nutki,** których ulubioną zabawą były układanki w melodie, piosenki a także i rytmy.
Zabawa wyśmienita była, śmiechu, radości co niemiara, więc co miał robić Smok Dragonek, zamieszkał na stałe w magicznym **Królestwie pod Trzema Górami.**

Od **Smoków Literek** nauczył się układać słówka, wyrazy i frazy, **Smoczki Cyferki** nauczyły Dragonka liczenia fajne zabawy, a **Smoki Nutki** wymyślały codziennie piękne melodie i rytmy.

Czy ty też chcesz zamieszkać w magicznym Królestwie
Smoków Literek, Nutek, Cyferek ? Oczywiście ! Wszystkie czekają na Ciebie.

Dragon's Journey to the Kingdom of Letters

Very funny and wise Dragon lives in the Kingdom of Plenty. Sweet cookies, jellies, as well as doughnuts and candies are blooming on vibrant trees, colorful bushes. Delicious !

Nearby creek serves Dragons sweet cocoa in the morning, orange juice at noon. In the afternoon, Dragon enjoys delicious lemonade, freshly squeezed by the Great Spirit of nature, yum, yum, yum.

Between flowers in the field, tasty waffle tubes filled with pink raspberry cream,smiling to the sun, three times a month. It's Dragon's favorite snack.

Although he had everything in abundance but friendly Dragon was lonely, and sad, no one was there to share tasty candies, alluring sweet jellies, because all Dragons departed on their journey to the Kingdom of Wisdom, Kingdon of Letters, Numbers, and Words.

Lonely Dragonek decided to search for his brothers, and sisters in far away lands, and departed on a beautiful ship with pinky sails made of spider web threads. The sky, the sea were so beautiful, decorated with a delicate vanilla flavor, slowly falling down as little, delicious drops of rain from the clouds — amazing. In the evening, the air was filled with a scent of forest blueberries, raspberries, squeezed lemons and gooseberries.

After a few days, Dragon arrived in the **Kindgom of Wisdom**, and in the **Land of Words**. Immediately, and to his great surprise, he spotted the joyful **Dragons of Letters**. Dragons of Letters make words and phrases from unique letters. It's their favorite game. Dragonek & the Dragons of Letters became best friends in the world.

Not far from the **Dragon Letters**, across the field, live, and play all day long, **Dragon Numbers**, with funny names, such as One, Two or Three, and many, many more. Obviously, in the **Kingdom of Wisdom**, the **Dragon Numbers** are equally important, friendly, and very likable, indeed. Dragon Numbers enjoy the multiplication of jellies, the equations of cookies, and the flavoring sequence of candies.

Do you know who enjoys playing music, and who is making the rhythms? **Dragons Musical Notes**, who dwell in the Kingdom of Rhythms, not far from Dragons of Numbers, and Words. You shall know, Dragons Musical Notes sing beautiful songs, sing along with birds all day long, sometimes Dragons and birds dance with fireflies at night, bzzzz, bzzz, bzzz. Dragon Musical Notes are also famous for inventing melodic sounds for children and adults. Would you like to meet Dragons Letters, Numbers, Musical Notes ? Of course ! Dragons are waiting for you in the **Kingdom of Wisdom.**
